Andrew (Ahn Pham Tung) Tran

Congratulations to Andrew Tran on receiving the $2,000 Simpson Strong-Tie Scholarship. Andrew has interned for Alta Southwest where he performed materials testing. He also interned with Psomas where he prepared engineering drawings for utilities, road, and land development. In summer 2022, Andrew was in Seattle with Mass Electric Construction (a subsidiary of Kiewit) where he worked on the rail mass transit system. He is a member of the Associated General Contractors UA Chapter and is on the UA Heavy Civil Team.
