UA Construction Engineering Management Students
Adam Bishop, Kyle Calaguas, and Muhammad Mohd-Rizal Awarded the 2020-21 Heavy Civil Scholarship from the Beavers

Congratulations to Adam Bishop, Kyle Calaguas, and Muhammad Mohd-Rizal on receiving the Beavers Scholarship for UA civil engineering students pursuing careers in heavy civil construction. The Beavers was founded in 1955 as a heavy civil construction association.

“The purpose of the Beavers is to promote goodwill, friendliness and consideration within the heavy engineering construction industry; to give recognition to those men and women who have demonstrated particular skill, responsibility and integrity; and to encourage and support entry of promising young individuals into heavy engineering construction.”

During summer 2020, Adam interned with Granite Construction, Kyle interned with Kiewit, and Muhammad interned with KE&G Construction.
