

2018 DBIA Regional Finalists

The UA team *Student Living Solutions* included Blair Kessler (CAEM), Jayme Flamm (CAEM), Blake Donohue (CAEM-ArchE), Hector Garavito (CAEM-ArchE), and Ethan Schuchmacher (CAEM).

Student Living Solutions produced a DB SOQ and Proposal for a university residence hall for a small liberal arts college in the Midwest. The team proposed approaches to design excellence, design management, quality management, subcontractor procurement, and stakeholder involvement. The team also proposed the implementation of virtual and augmented reality and sustainability features.
