

## 2017 DBIA Regional Finalists

The UA team *Wildcat Architecture & Engineering* included Max Simon (CAEM), Gabe Mitchell (CAEM), Blair Kessler (CAEM), Alayna Roberts (CAEM), and Lydia Roberts (Architecture). They responded to a Request For Qualifications in the first round and a Request For Proposal in the second round. The project was a Student Health and Wellness Center on a campus in the northwest United States. They proposed approaches to management, quality, subcontracting, sustainability, and safety.
