UA Civil Engineering Student Yen Do Awarded the 2018-19 Simpson Strong-Tie Scholarship

Congratulations to Yen Do on receiving the $2,000 Simpson Strong-Tie Scholarship. Yen is a transfer student from Pima Community College. She has taken a variety of civil engineering courses including construction engineering management. She interned with M3 while maintaining a 4.0 grade point average. At the department convocation in May 2019 she gave the valedictory speech. Upon graduation, Yen joined M3 full time as a structural engineer.
